

# CommunityHealth's vision is Quality Health Care for All.

For every **\$1 donated** to CommunityHealth, we provide **\$7 worth of care**. Are you All In?

The **All In™ Celebration** brings together a community of individuals who are passionate about access to health care. Supporters at the Celebration help CommunityHealth ensure all Chicagoans have access to the right health care, at the right time, in the right place.

**We are a medical home for uninsured and underinsured adults in Chicago.**

CommunityHealth provides high-quality, essential health care to Chicagoans facing poverty, at no charge to the patient. We provide primary and specialty care, medications, lab testing, mental health services, and health education to those who would otherwise go without essential health care.

Your customizable sponsorship package entitles you to event admission and recognition at All In™. More importantly, your support directly enables us to continue our work in providing high quality health care to uninsured adults living in poverty.
