

COMING SEPTEMBER 2020

2020 Event Series

All In™ Chicago is presented by CommunityHealth

www.allin-chicago.org

Are You All In?

CommunityHealth's All In™ thought leadership series convenes stakeholders, community leaders, and all Chicago residents to explore the remaining gaps in health care access, identify barriers in underserved communities, and discuss ways we can work together to overcome them.

This fall, CommunityHealth invites you to participate in the All In™ campaign through a series of virtual events to discuss and generate solutions for providing accessible health care to all Chicago residents.

All In™ Premier Events

6th Annual All In™ Chicago Breakfast Summit
Wednesday, September 2nd

All In™ Associate Board Cabaret
