CHICAGO

Let's celebrate  
access to care.

 CommunityHealth

**CommunityHealth's vision is Quality Health Care for All.**

The All In Celebration brings together a community of individuals who are passionate about access to health care. Supporters at the Celebration help CommunityHealth ensure all Chicagoans have access to the right health care, at the right time, in the right place. Join us on **September 25, 2025**, for dinner, cocktails, games, and a celebration of our work to achieve this vision.

**We are a medical home for uninsured and underinsured adults in Chicago.**

CommunityHealth provides high-quality, essential health care to Chicagoans facing poverty, at no charge to the patient. We provide primary and specialty care, medications, lab testing, mental health services, and health education to those who would otherwise go without essential health care.

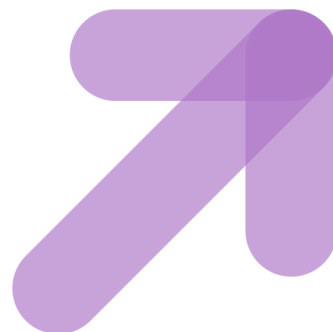

For every \$1 donated to CommunityHealth, we provide \$7 worth of care.

## Are you All In?

CommunityHealth invites you to sponsor the  
the All In<sup>TM</sup> Celebration on September 25, 2025

Your customizable sponsorship package entitles you to event admission and recognition at All In<sup>TM</sup>. More importantly, your support directly enables us to continue our work in providing high quality health care to uninsured adults living in poverty.

*Thank you for your thoughtful consideration of this request.*

[allin-chicago.org](http://allin-chicago.org)

CommunityHealth turns every dollar donated into \$7 worth of health care.

By sponsoring All In™, you help us provide primary and specialty care, essential medications, health education, lab testing, and much more to uninsured and underinsured adults facing poverty in Chicago.
